Distance Measuring Wheel

Experience an innovative new concept for quick and accurate indoor measuring. The revolutionary Meter-Man Model ML6 measuring wheel looks and performs like no other measuring wheel before it. Its wide-wheel stability, excellent balance, and light weight, all combine to offer the best smooth surface measuring you can imagine. With the handle extended or retracted, this is one measuring wheel that practically steers itself. We are confident that you will find the new ML6 to be a real joy to use.

APPLICATIONS INCLUDE:

- Interior Decorators
- Homeowners
- Do-It-Yourselfers
- Indoor Contractors
- Home Appraisals
- Insurance Adjusters

Intended for use indoors on hard, smooth surfaces.
