Auto-Release MAGNETIC SWEEPER

A CLEAN **MAGNETIC** SWEEP

Clean-up has just become easier with the Auto-Release Magnetic Sweeper. The sweeper's 16-inch magnetic plate attracts ferrous material and easily releases it by turning the handle counterclockwise and pulling. Back pain and bending are a thing of the past. Its innovative design is non-corrosive, easy to use and eliminates hand cuts by eliminating contact with attracted material.

13-Unit Display
MS16-13

16-INCH WIDE MAGNETIC SWEEPER

finds ferrous material and holds it until you release it. Makes jobsite clean-up fast and easy.

AUTO-RELEASE

is easily activated by turning handle counterclockwise and pulling. Direct contact with attracted material is eliminated, providing an extra level of safety.

DUAL 4" WHEELS

provide excellent support and stability on indoor and outdoor surfaces. Durable polyvinyl treads improve traction and roll effortlessly across clean-up areas.
