Distance Measuring Wheel *with* Paint Marking System

Now you can measure and mark as you walk with the new Measure Marker from Meter-Man. Use the 5-digit counter for accurate measuring while marking the distance with a pull of the trigger! Innovation you expect from Meter-Man with quality you can count on.

MEASURE AND MARK AS YOU WALK

HAND GRIP with spray trigger releases paint on target. One person operation.

5-DIGIT COUNTER reads up to 10,000 feet or 1,000 meters. Counter adds going forward, subtracts in reverse.

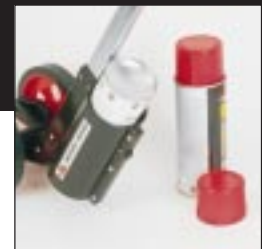

DUAL 6" DIAMETER WHEELS provide excellent stability and accuracy on hard, smooth surfaces. Durable polyvinyl treads for improved traction and long life.

STANDARD INVERTED AEROSOL PAINT CAN (not included). Markings are sprayed close to the surface to minimize drift.
